RE: Office of Medical Cannabis Employee Admittance to Medical Cannabis Facilities

The West Virginia Department of Health and Human Resources, Bureau for Public Health, Office of Medical Cannabis (OMC) is issuing this technical advisory to provide updated guidance on admitting entrance of OMC staff to medical cannabis facilities.

- OMC employee identification cards with photos are an acceptable proof of identification (ID) for entrance.
- OMC staff acting in an official capacity are to be provided immediate entrance and access to all areas of a medical cannabis facility upon arrival and proof of ID.
- OMC staff acting in an official capacity should not be required to sign in as part of their admittance.
